Re: **United States v. Nathaniel Fludd**
08 Cr. 227 (RMB)

Dear Judge Berman:

I write on behalf of my client, Nathaniel Fludd, to respectfully request that the Court modify his bail conditions. On February 22, 2008, Judge Maas imposed the following bail conditions: A $100,000 personal recognizance bond co-signed by three financially responsible persons and secured by $1,000 cash; electronic monitoring; strict pretrial supervision; surrender all travel documents and no new applications; travel limited to EDNY & SDNY.

Mr. Fludd has been out on bail on home detention with electronic monitoring for almost four months. He works full time at Cold Stone Creamery and lives at home with his mother.

At this time, I request that Your Honor remove home detention, and continue Mr. Fludd's electronic monitoring with a curfew, with the hours to be determined by Pre-trial Services. I have spoken with Assistant United States Attorney Howard Master on behalf of the Government and Mr. Fludd's Pretrial Officer, Franco Furelli, and they have both consented to this application.

Thank you for your consideration of this matter.

Respectfully submitted,

Sabrina Shroff
Assistant Federal Defender
